RE: Placement of Display Advertisement: Monday, July 8, 1991

Dear Ms. Glover:

As discussed during our recent telephone conversation, Alliance Technologies Corporation is a contractor of the federal government providing community relations support to the U.S. Environmental Protection Agency (EPA). On behalf of the EPA, enclosed is the copy for the 3-column by 12-inch display advertisement to be run one time only in the forward section of the The Daily Record on July 8, 1991. The logo on the enclosed copy should appear at the top of the display ad.

The invoice for the cost of the advertisement should be sent to:

Alliance Technologies  
Scott Mills South  
Foot of John Street  
Lowell, MA 01852-1124  
Attn: Accounts Payable - Nancy Mitchell

Please use reference no. 1-635-271 on your invoice to assure prompt payment. Two tear sheets should be sent directly to me at the above address.

If you have any questions or comments regarding this request, please contact me at (617) 970-5600, extension 5151.

Sincerely,

Diane Stallings  
Alliance Project Manager
